- 🌸 The official 2018 Miss America badge is required for certain events and issued for identification and security purposes.
- 🌸 Badges allow access to Open Rehearsals (cameras are not permitted), and Contestant Visitation after Wednesday, Thursday, and Friday prelim nights.
- 🌸 For the final night of competition, an After-Party ticket can be purchased. Details on purchasing After Party tickets will be published later.

Why do I need to email a jpeg photo of myself to www.missarkansas.org?

- 🌸 All badges require a recent photograph of the proposed badge holder.
- 🌸 If the proposed badge holder received a badge to last year's National Finals, then their photo is on file.

 - 2) Badges requested during competition week in Atlantic City will require State ED approval or the approval of the contestant's parents for their family and friends. These people will be very busy and access will be limited for them to approve. They will approve at their convenience during that week.
 - 3) The cost of a badge if ordered during competition week is \$55.00.
 - 4) Replacement cost for a lost badge is \$55.00 regardless of initial payment price.

Miss America Organization officials can at their discretion, revoke the use of a badge at any time.
